PennDOT Project Id: 115618

Title: LT Admin Building

Air Quality Status: Exempt from Regional Conformity Analysis

County: Lebanon

Narrative: This project consists of a new building proposal, adjacent to their current location. Lebanon Transit is looking to expand on current office spacing and will build a second facility. They are proposing an Administrative Office Building. This project involves land procurement (property directly behind Lebanon Transit). This project is anticipated to be funded through State 1514 and Federal 5307/5339/5311 Appalachian, but the exact funding mix has not been determined. This project is in line with the Pennsylvania Group Transit Asset Management (TAM) Plan and works to achieve the performance measures set for the group in the facilities asset category.
