I would like to nominate **Pat Krebs** to the Women's Hall Of Fame for the Lebanon County Commission for Women in the Categories of:

Women Demonstrating Leadership

Women Creating Community

Women Promoting Healthy Lifestyles

Women Demonstrating Leadership in Education

Pat is a lifetime bicyclist and President of the Lebanon Valley Bicycle Coalition (LVBC); with her love of biking she knows how dangerous it is sharing the roads with vehicles. With Pats tremendous volunteer efforts with elected officials and municipal, county and state governments she made sure that new road projects or redesigns were considered for the bicyclists.

Pat's hard work each year is giving each cyclist the necessary skills to be able to bicycle for their transportation, recreation and health needs in the Lebanon Valley.

Pat was instrumental in creating a Bicycle Transportation Map for Lebanon & Dauphin Counties and participating in an audit on 422 & 322 for Derry Township and for providing Bike Racks through-out Lebanon County.

Her efforts with the LVBC may not be known by every cyclist but everyone biking the roads are safer today because of Pat Krebs, I'm sure her efforts saved many life's of a cyclist.

I know most of you know Pat and the hard work she does for the Lebanon Valley, I'll keep this at 100 words as requested because I could write a book on what Pat Krebs represents to all of us.

Pat Krebs is a Lebanon Valley Hero in my book!
