

Commissary Changes for November

The week of November 13 – 20 we are allowing everyone to order double the normal amount. You will be allowed to order up to \$250 for delivery on November 15. Securepak will also be double ordering for this week. Instead of a maximum of \$75, your friends and family can order up to \$150.

The week of November 20 – 27 there will be no commissary ordering, and no delivery on November 29 due to Keefe Commissary being closed for the Thanksgiving holiday.

Commissary will resume normal ordering the following week.
